

Saint Vincent's Nursing Home

Licensed Practical Nurses

Saint Vincent's Nursing Home is a dynamic health care facility which prides itself on warm, compassionate care for the older adult and their quality of life being the cornerstone of all our services and programs. We believe in providing a supportive work environment and value our employee's contribution to life at Saint Vincent's.

Saint Vincent's, a 149-bed accredited nursing home, has immediate openings for:

Permanent full time, part time, and casual Licensed Practical Nurses

Qualifications:

- Must be registered or eligible for registration with CLPNNS,
- Recent pharmacology experience,
- Previous experience in long term care would be an asset.

We offer competitive benefits and enrolment in the NSAHO pension plan.

Interested applicants should submit resume and/or questions, in confidence, to:
